By order and in the name of the Lieutenant Governor of Goa, Daman and Diu.

M. S. Sail, Under Secretary (Revenue).

Panaji, 27th March, 1984.

AGREEMENT

THIS AGREEMENT is made on this twenty seventh day of March in the year one thousand nine hundred and eighty four BETWEEN the President of India (hereinafter called "the Government") of the one part AND the Goa, Daman and Diu Industrial Development Corporation, a statutory corporation established under the Goa, Daman and Diu Industrial Development Corporation Act, 1965 and having its registered office at Panaji (hereinafter called "The Company" which expression shall, unless the context does not so admit, include its successors and assigns) of the other part.

WHEREAS the principal objects for which the company is established are for the purposes of securing and assisting in the rapid and orderly establishment and organisation of industries in the industrial area and industrial estates in Goa, Daman and Diu.

AND WHEREAS the company has applied to the Government that the land specified in the Schedule appended hereto hereinafter called "the said land") may be acquired under the provisions of the Land Acquisition Act, 1894 (Central Act 1 of 1894) (hereinafter called "the said Act") for the purpose of setting up an Ancillary Industrial Estate at Tuem, Pernem.

AND WHEREAS the Government after having caused an inquiry to be made in conformity with the provisions of the said Act and on being satisfied as a result of such inquiry that the acquisition of the said land is needed for the purpose of setting up an Ancillary Industrial Estate at Tuem Pernem for the company, have consented to acquire the said land under the provisions of the said Act, and to enter into an agreement hereinafter contained with the company.

NOW these presents witness and it is hereby agreed that the Government shall put in force the provisions of the said Act in order to acquire the said land for the Company on the following terms and conditions namely:—

1. The Company shall pay to the Government the entire cost, as determined by the Government for the purpose of the acquisition of the said land, including all compensations, damages, costs, charges and other expenses, whatsoever, which have been or may be paid or incurred in respect of or on account of such acquisition or in connection with any litigation arising out of such acquisition either in the original or Appellate Courts and including the costs on account of any establishment and salary of any Officer or Officers of the Government whom the Government may deem it necessary to employ or depute on special duty for the purpose of such acquisition (and also including the percentage charges on the total amount of compensation awarded) in accordance with the instructions issued by the Government from time to time. The money which shall be payable by the Company under this clause shall be paid by it by depositing with the Collector of Goa free of interest, the sum of Rupees one thousand only within fifteen days from the execution of this agreement and thereafter by payment to the said Collector within fifteen days from the date of demand by the Collector in writing for such further amount as may be required for the purpose of paying or disbursing compensation, damages, costs, charges or expenses hereinbefore referred to. In case of urgency, where possession of any land is proposed to be taken under section 17 of the said Act before an award has been made under section 11 thereof (of the Act) the company shall deposit with the Collector, free of interest, such amount being not more than two thirds of the approximate amount of compensation payable in respect of the said land as determined under clause (ii) of sub-rule (2) of rule 4 of the Land Acquisition (Company) Rules, 1963 and within such time as the Collector may specify in this behalf.

If the Company fails to pay to the Government the entire cost of acquisition, as referred to above, within the aforesaid period, the Government shall be entitled to recover the same from the company as if it were money due to the Government under the Law for the time being in force.

2. On payment of the entire cost of the acquisition of the said land, as hereinbefore referred to, the whole of the said land shall, as soon as it may be convenient, be transferred to the Company at the cost (in every respect) of the company so as to vest in it, subject to the provisions of the Law for the time being in force as to the terms on which the land shall be held by the Company.

3. The said land, when so transferred to and vested in the company shall be held by the company as its property to be used only in furtherance of and for the purpose for which it is acquired, subject nevertheless to the payment of the assessments and cesses if any, so far as the said land is or may from time to time be liable to such assessments and cesses under the provisions of the Law for the time being in force.

4. i) The company shall not, except with the previous sanction of the Government, use the said land for any purpose other than that for which it is acquired.

ii) The time within which the construction of the Industrial Estate shall not exceed three years from the date of transfer of the said land to the Company.

iii) If the Government is satisfied after such enquiry as it may deem necessary that the company was prevented by reasons beyond its control from construction of the building or works for the company which is engaged or is taking steps for engaging itself in an industry within the time specified in the agreement, the Government may extend the time for that purpose by a period not exceeding one year at a time so however that the total period of extension shall not exceed three years.

iv) The company shall keep and maintain at all times the said land and the building or buildings erected thereon in good order and condition to the satisfaction of the Collector.

v) The company shall maintain all records thereof properly and supply to the Government punctually such returns of educational, statistical and other information as may from time to time be required by the Government.

vi) The Company shall not use the said land or any building that may be erected upon it for any purpose which in the opinion of the Government is objectionable.

5. The company shall from time to time and at all times permit the Government or any officer or officers authorised by the Government in that behalf, to inspect the said land and any works of the company upon the said land whether in the course of construction or otherwise and shall furnish to the Government from time to time on demand correct statements of the moneys expended by the company in the construction of the said works of the company upon the said land.

6. The company shall not in any way alienate the said land or any portion thereof except with the previous permission in writing of the Government. The Company shall however be entitled to mortgage the said land to any co-operative or other registered or statutory Financing Agencies for the bonafide purpose of securing loan for undertaking and/or completing the construction of the work for which the lands are acquired on its behalf. This shall however be subject to the conditions that:—

i) In the event of sale, for realisation of its dues to the mortgagees of in respect of the said land.

a) The said land including its structures half of the unearned income (i.e. half the difference between the sale price of the land and the cost of its acquisition) incurred by the company shall be credited to the Government, and

b) The Collector's decision regarding the amount of unearned income shall be final.

The mortgagee shall be entitled to utilise in accordance with the terms of mortgage deed the balance of the sale proceeds left, after satisfying the Government claims as per clause (a) above, for realisation of their dues;

ii) The right of the mortgagees to sell the mortgaged land, to realise the undischarged debt shall be absolute, subject to clause (a) and (b) of the condition (1) above; and

iii) Conditions prohibiting transfer by sale, etc. imposed upon the Company shall not apply to the transferred who purchased the lands in the event of their sale by the mortgagees for realisation of their dues.

7. If the company commits a breach of any of the conditions provided for in this agreement, the Government may make an order declaring the transfer of the land to the company as null and void whereupon the land shall revert back to the Government and the Government may direct that an amount not exceeding one fourth of the amount paid by the company to the Government as the cost of acquisition

tion under clause (1) of section 41 of the said Act shall be forfeited to the Government as damages and the balance shall be refunded to the company and the order, so made shall be final and binding.

If the company utilises only a portion of the land for the purpose for which it was acquired and the Government is satisfied that the company can continue to utilise the portion of the land used by it even if the unutilised part thereof is resumed, the Government may make an order declaring the transfer of the land with respect to the unutilised portion thereof as null and void, whereupon such unutilised portion shall revert back to the Government and the Government may direct that an amount not exceeding one fourth of such portion of the amount paid by the company as cost of the acquisition under clause (i) of section 41 of the said Act, as is relatable to the unutilised portion shall be forfeited to the Government as damages and that balance of that portion shall be refunded to the company and the order so made shall, subject to the following provisions, be final and binding.

Where there is any dispute with regards to the amount relatable to the unutilised portion of the land, such dispute shall be referred to the Court, within whose jurisdiction the land or any part thereof is situated and the decision of that court thereon shall be final.

PROVIDED that the Government shall not make an order as aforesaid, unless the company has been given an opportunity of being heard after a due notice of the breach,

complained of, has been given to the company and the company has failed to make good the breach or to comply with any directions issued by the Government in this behalf, within the time specified in the said notice for compliance therewith.

8. If at any time or times, any part of the said land is required by Government for the purpose of making any new public road or for any purpose connected with public health, safety, utility or necessity, then the company on being required by the Government in writing, shall transfer to the Government such part of the said land as the Government shall specify to be necessary for any of the aforesaid purpose, and in consideration of such transfer the Government shall pay to the company a sum equal to the amount of the compensation awarded under the said Act, and paid by the company in respect of the land so transferred including the percentage awarded under section 23(2) of the said Act, together with such amount as shall be estimated by the Executive Engineer, P. W. D. having jurisdiction whose decision in the matter shall be final as to the cost of the development of the land so transferred which shall include the value at the date of transfer of any structure standing thereon and when part of a building is on the land so transferred and part is on the adjoining land, reasonable compensation for the injuries affected to the part of the building on the adjoining land.

All the cost and expenses of and incidental to the preparation and execution of these presents shall be borne by the company.
